

Sinks and Drainers

■ Sinks and Drainers

The various shapes, sizes and depths of sinks allow them to adapt to all kinds of requirements, guaranteeing maximum functionality and flexibility of use.

■ Lavelli e sgocciolatoi

Le diverse forme e dimensioni disponibili integrate con le diverse profondità, permettono ai lavelli di adattarsi alle più svariate necessità garantendo la massima funzionalità ed elasticità di utilizzo.

■ Eviers et Egouttoirs

Les différentes formes et dimensions disponibles, réalisées en différentes profondeurs, permettent aux éviers de s'adapter aux besoins les plus divers en garantissant la plus grande fonctionnalité et adaptabilité d'utilisation.

■ Spülen und Abtropfbleche

Die unterschiedlichen Formen und Abmessungen, auch mit verschiedenen Einbautiefen, machen diese Spülen zu vielseitig einsetzbaren Elementen mit garantiert höchster Funktionalität.
